WINDS OF CHANGE

Days go by,
taking with them
a part of each of us,
And each new day brings
another bit of life
blowing in on the wind
to enrich us.
We must let go
of the past
and take
what each new day brings,
yet store up all fond memories
to keep for a rainy day.

Memories are forever —
an imprint on our minds,
a record of our lives
that doesn't just blow away
on the Winds of Change.

Yet there is more.
Each of us has
our own life to live
and we must begin to live it now.
We can't let life fade away
blowing on the Winds of Change
forever.

Life is today,
and tomorrow
to live to its fullest.
Look deep, keeping your dreams high,
and you will see
that the winds
have only
begun
to change.

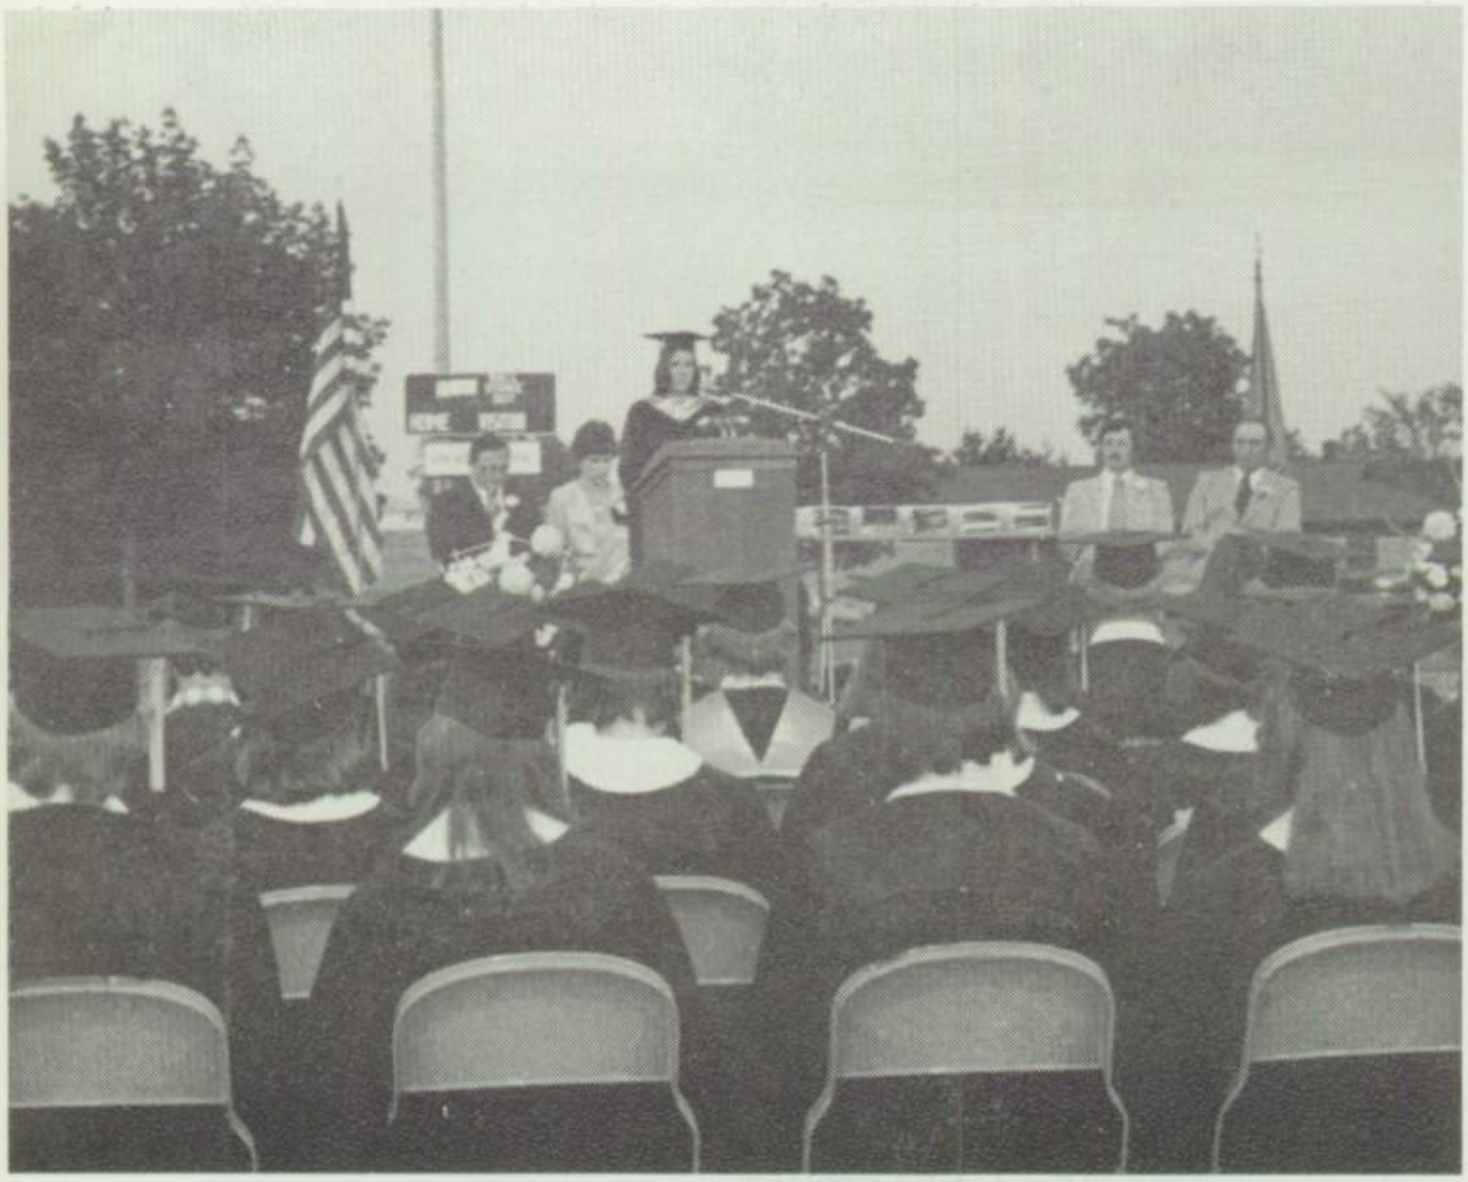
Beautiful Weather For Graduation 1977



Graduation 1977 had a fantastic turnout. Although there were 102 graduates, only 99 were able to participate in the ceremony. In addition to the graduates there were a large number of spectators on hand to pay last respects to the Class of 1977.

This year, Le-Win had two former graduates speak, instead of the usual high ranking official speaker. Marilyn Stewart Gallagher spoke on "Is a College Education Still Worth It?", and John Otte's entertaining talk about, "Collected Philosophies on Life". In addition, the traditional valedictory address was given by Janet Henriksen, and the salutatory address by Peg Kleckler.

Queen Julie and King Don

"Stairway To Heaven"

"The Stairway to Heaven" greeted the Senior Class of 1977 on April 30 at the Sword & Stone in Freeport. Sparkling lights and glittering murals decorated the festivities. Refreshments were served by Kathy Hibbard, Deanna Dick, Lori Hughes and Donna Blakely. (Pictured at left.)

The "Individuals" provided the music for the evening.

The Royal Court consisted of junior attendants Bill Lingle and Pam Daws, Dan Hughes and Marilyn Gabel, Doug Kempel and Diane Spencer. King and Queen were Don Meeker and Julie Toelke. Senior attendants were Kirk Rackow and Sheila Fieldstad, James Meyers and Sharon Aurand.

Band Goes To Springfield

Participating in State Solo and Ensemble Contest was a high point this year when the band took twenty-nine entries and brought home fourteen first places. They also received a first at State Organization Contest and brought home a beautiful plaque. The band was also invited by Representative Harlan Rigney to play in the inaugural parade, but the severe cold weather cancelled the parade so the band performed in the armory for Governor Jim Thompson.

Musical Performed ''In The Round''

This year's all-school musical was "You're A Good Man Charlie Brown". This year's musical was not directed by a staff teacher, but instead was directed by Mrs. Margaret Reifsteck. Instead of the play being performed on the stage, a "theatre-in-the-round" approach was tried, with success. The musical was a typical day in the life of Charlie Brown.

Linus stole the show with his "Me and My Blanket" dance, with Woodstock coming in a close second with his yellow leotards and feather duster tail.

The play started out on "A Typical Day" in Dogpatch, where everyone's happy until the hamlet finds out they must evacuate or be blown to pieces. Mammy Yokum saves the day by introducing "Yokumberry Tonic", which also saves Sadie Hawkins Day.

The play then went to Washington and Abner finds out that his miracle-working tonic is desperately wanted by the evil General Bullmoose. Bullmoose enteres Appassionata into the Sadie Hawkins Day race where, with a little help from Evil Eye Fleagle, she catches Abner and is therefore entitled to marry him and own half of whatever he owns, including Yokumberry Tonic.

Along with its traditional activities, Student Council added many new projects. Student Council attacked the year by developing new homecoming activities. A parade was held Friday afternoon and the traditional dance was Saturday night.

Student Council also attempted to change the present honor roll. They wanted it to change to a 3.25 average to make the honor roll instead of the present one A and no C's. Finally, at the end of the year, it was verified that the honor roll will be changed to the 3.25 average.

National Honor Society

The National Honor Society offers recognition to students demonstrating character, scholarship, leadership and service.

School leaders with a "B" average are eligible to be considered for membership. Faculty members nominate students for membership, listing the projects in which their service, leadership and character have been shown. The local chapter's faculty council makes the final selection from those nominated.

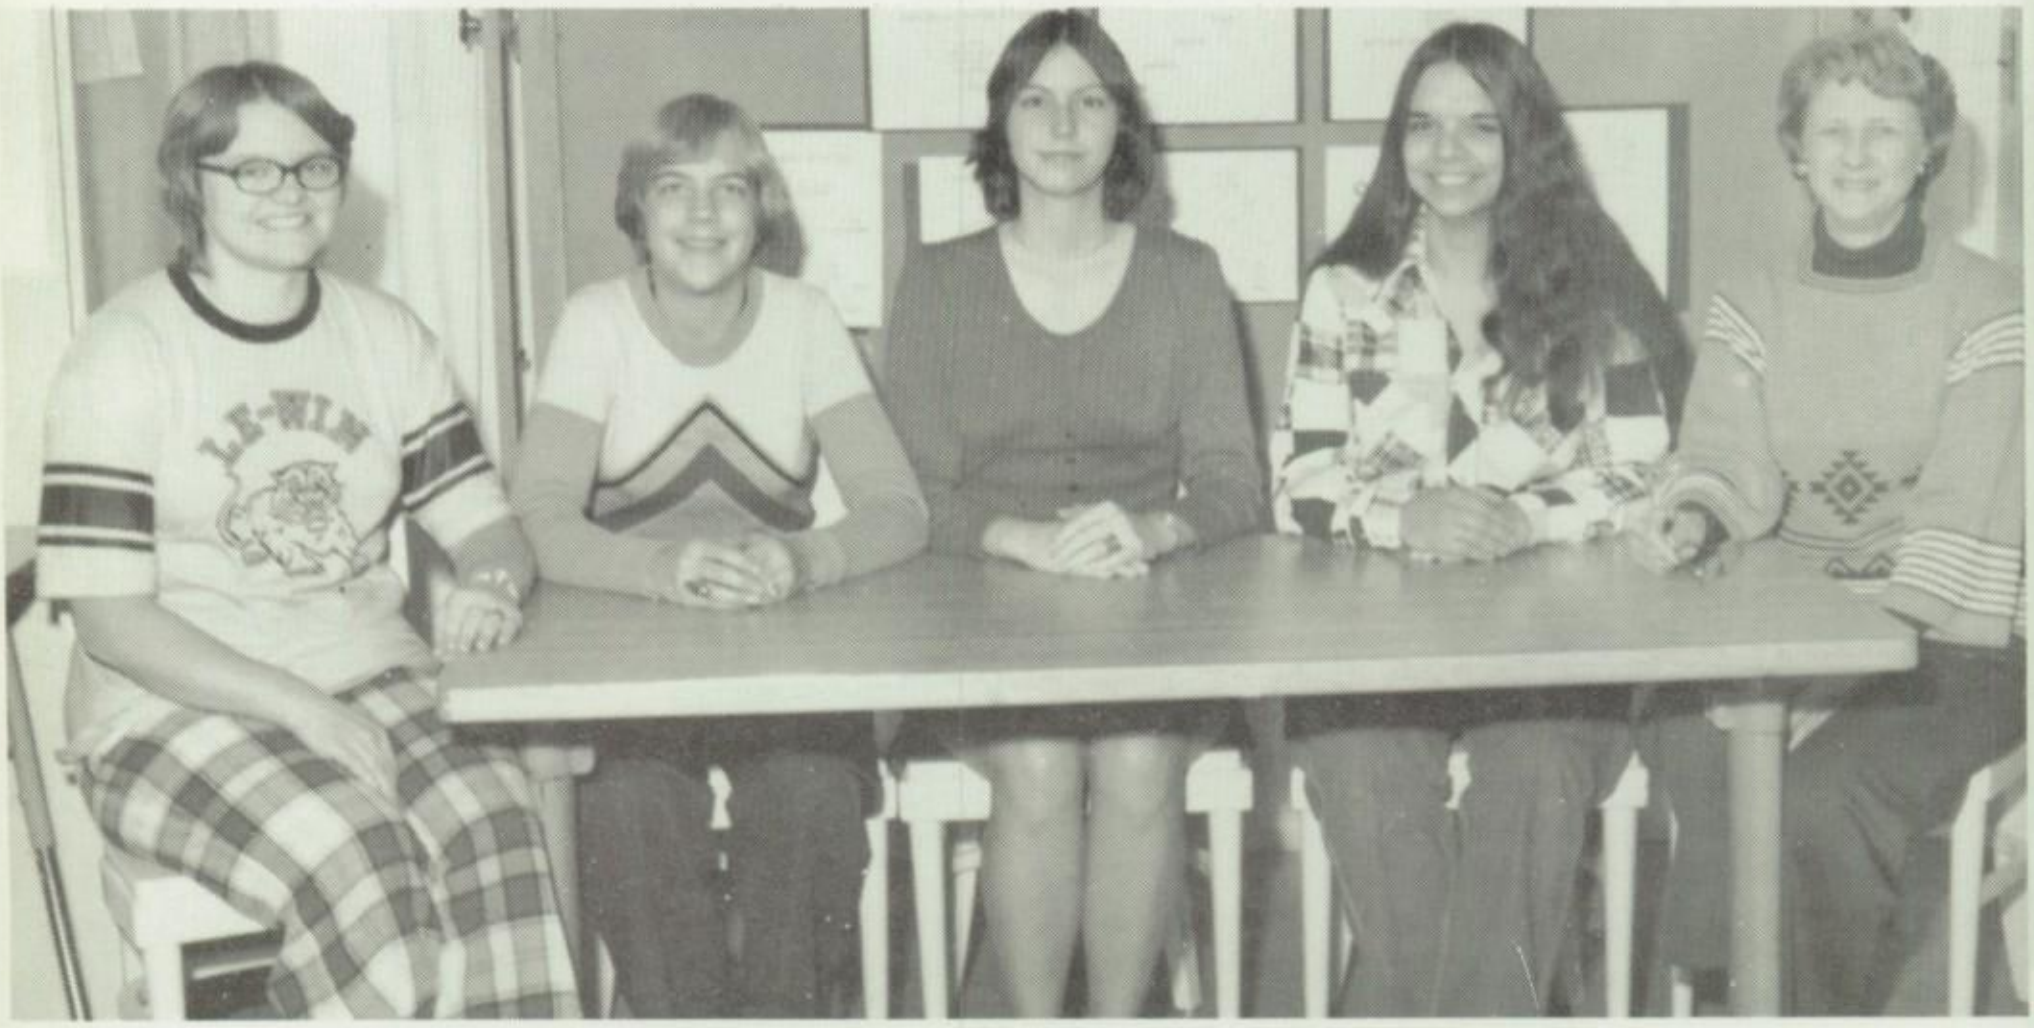
S.A.E.

S.A.E. (Student Action for Education) started the year with a pizza party at the Pizza Hut in Freeport to welcome the new members to the club. The club also continued its activities by doing the traditional pumpkin carving for the Lena Continental Manor. The group had a Halloween Party which included a haunted maze. We contributed to the Grade School's Christmas parties by writing and presenting our own Christmas stories to the students. We sponsored three dances during the year. The club ended its activities for the year 1976-1977 by spending a day at Great America Amusement Park.

FHA Hosts



OFFICERS, left to right: Roberta Andrews, points chairman; Valerie Werhane, secretary; Pauline Schlick, president; Tamra Shippy, vice president; Mrs. Meier, adviser. Not pictured: Cynthia Cooke, treasurer.

Stephanie Graham was chosen as the 1976-77 Section 2A vice president. This office kept her busy. Steph was involved with the March of Dimes creating and putting on puppet shows and programs to make people aware of birth defects, their causes, and how everyone can do their part in the prevention of them. Along with the March of Dimes program, Steph also had many other duties as the vice president, including business meetings, hosting the Section 2A Fall Rally, and helping out in the local Le-Win chapter.

March Of Dimes

FHA members kept busy this year keeping the window decorated, changing it each month. Many FHA members were involved in the national project – the March of Dimes. FHA held many activities, including Daddy Date Night – volleyball with the dads, FHA Week in February, the style show in April which was centered around the Wonderful World of Disney, a Mother-Daughter Tea in May to which the eighth grade girls and their mothers were invited, and election of officers. The FHA members took their annual trip after school ended; this year they went to Great America near Chicago.

CLASS REPRESENTATIVES, left to right: D. Dick, M. Dick, J. Brinker, S. Lyvers, J. Toelke.

Marcee Dick represented Section 2A of the FHA at the National FHA Leadership Convention held in St. Louis, Missouri. While there, the delegates picked the 1976-77 national officers, held many sessions to strengthen their leadership skills and to get to know themselves better. The delegates also toured St. Louis.

GAA's "Prelude to a Finale"

This year GAA had 103 members participating in a variety of activities. The first fall outing was a swimming party at Lions Park. Recreational games and a picnic with Letterman's Club at Lake Le-Aqua-Na, Dad's Nite with relays and volleyball, and the ever popular game, "Fetch-It", were among other fall activities. Bowling was enjoyed for twelve weeks with the girls going to Stockton for the district bowling tournament. Co-ed ski trips to Plumtree and Chestnut Mountain, roller skating at Pleasant View, swimming at the YWCA followed by a pizza party, and ice skating at the Wagon Wheel were fun times to be remembered.

The annual Mother-Daughter Banquet was held May 18. This year's theme, "GAA's Prelude to a Finale", was a great banquet with alumni members from the last 25 years returning as surprise guests to Mrs. Shaw. Special awards were: most active GAA member for four years, Sue Rampenthal; best teammate, Tammy Shippy; and best athlete, Paula Miller.

GAA has existed in Illinois since 1919 and this is the last year for the state organization. Next year Lena-Winslow will have a local recreational organization named LWRA.

MRS. SHAW enjoys a piece of pizza with the girls at the Pizza Hut after GAA's last swimming party at the YWCA.

Business Ed. Covers Many Skills

Business is one of the most important fields of education today. To keep pace with the advancement of this field, Le-Win offers a wide variety of business courses, including Shorthand, Typing, Accounting, General Business, Business Machines, and Business Law. These courses not only prepare a student for a job after graduation, but they also can help students who are planning to attend college.

In the Business Department, students can choose from general business training in everyday life to secretarial practice which can help them become ideal secretaries.

Students in the Business Department are also trained in operating duplicating and transcribing equipment, calculators, and adding machines.

Teaches: Physical Sciences

Man, by nature, is curious. He has to know the why, how, and what of everything around him.

Science begins with this curiosity. The need to know and understand the things around him is man's key to knowledge of the material universe.

Scientists believe that everything in the universe behaves in an orderly way and that man can discover and seek to understand this order. Science, then, is the orderly, systematic investigation of such questions.

The Science Department at Le-Win covers the complete range of the physical sciences and biological sciences. Students can choose from the basics of biological study, or scientific study such as general and physical science, or the analytical studies such as biology, chemistry, or physics.

In the past, the mere mention of a math course seemed like a catastrophe to many. Now there is a variety of math courses offered and there is a gradual increase of popularity in the math field.

This year, as in the past, the top math students participated in a math contest in Dubuque with the supervision of Mr. Lenker.

Government and economics students this year learned many things that will help them in their later years in life.

For instance, Econ students examined a used car and tested it, then wrote an evaluation on it and stated whether or not they would buy it. They also made up advertisements for their own products in the different medias.

Government students learned about the different political parties. They also learned how a democracy works by studying the state and federal constitutions.

History isn't just the study of the past, contrary to popular belief. Rather, it is how and why the nation became the way it is today.

This course examines the reasons behind wars and other economic problems. Through history, students can weigh the changes in the past against those of the future.

Parlez-vous francais?

English students were given the opportunity to strengthen their knowledge through this year's French classes. The class developed a familiarity with France as a nation, its people and their literature.

The annual French banquet was held, complete with a flaming dessert. Featured speaker at the banquet was Mrs. Margaret Miller, who gave an interesting talk to students and guests on her trip to France last summer.

Other activities included a spring trip to the Chicago Field Museum to the King Tut Exhibit, the Art Institute, and as a grand finale to the trip, dinner at a French restaurant, where some of the more fluent students were actually able to converse in French to the waiter and even make themselves understood!

Home Economics is one of the most rewarding classes girls at Lena-Winslow can take. Le-Win's Home Ec department offers classes such as Home Economics I, Clothing I and II, Foods, Housing, Tailoring and Child Care.

Some of these classes are designed to let students learn skills and techniques which would be valuable in the working world. Others are concerned with teaching the students the skills and methods involved in house planning, home furnishing and child raising. These concepts would prepare girls for home and family life, and would make them better homemakers.

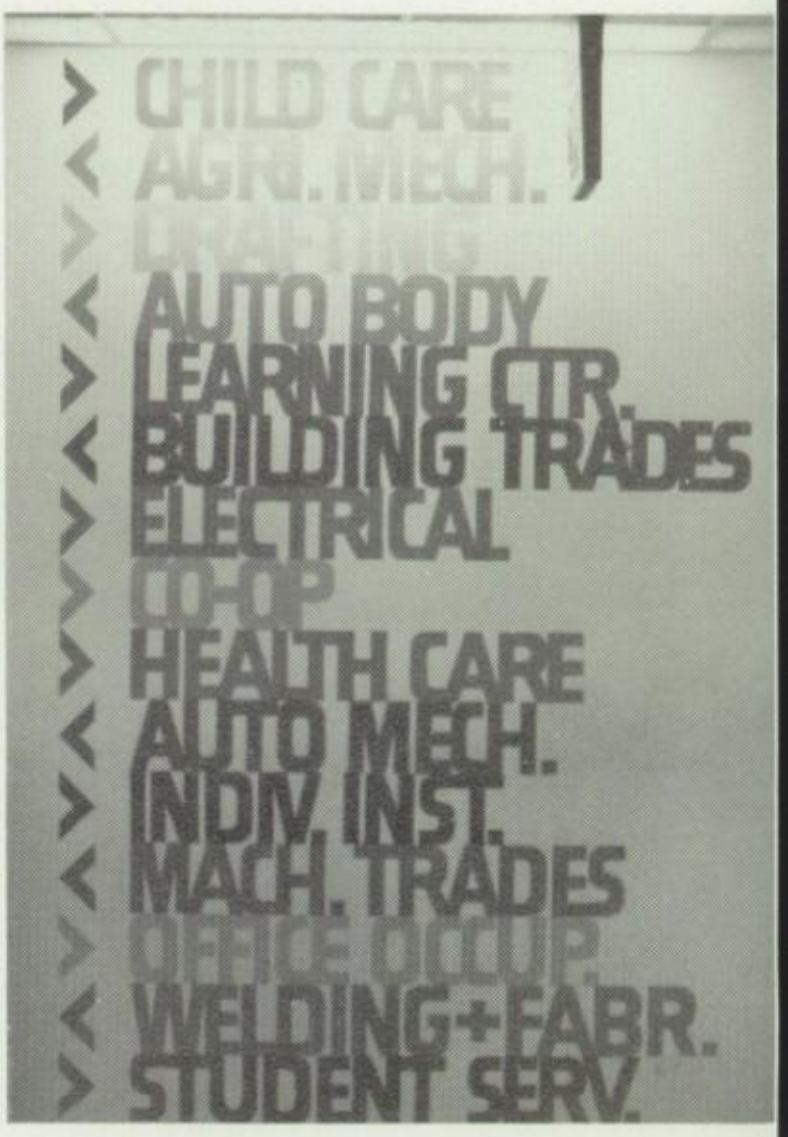
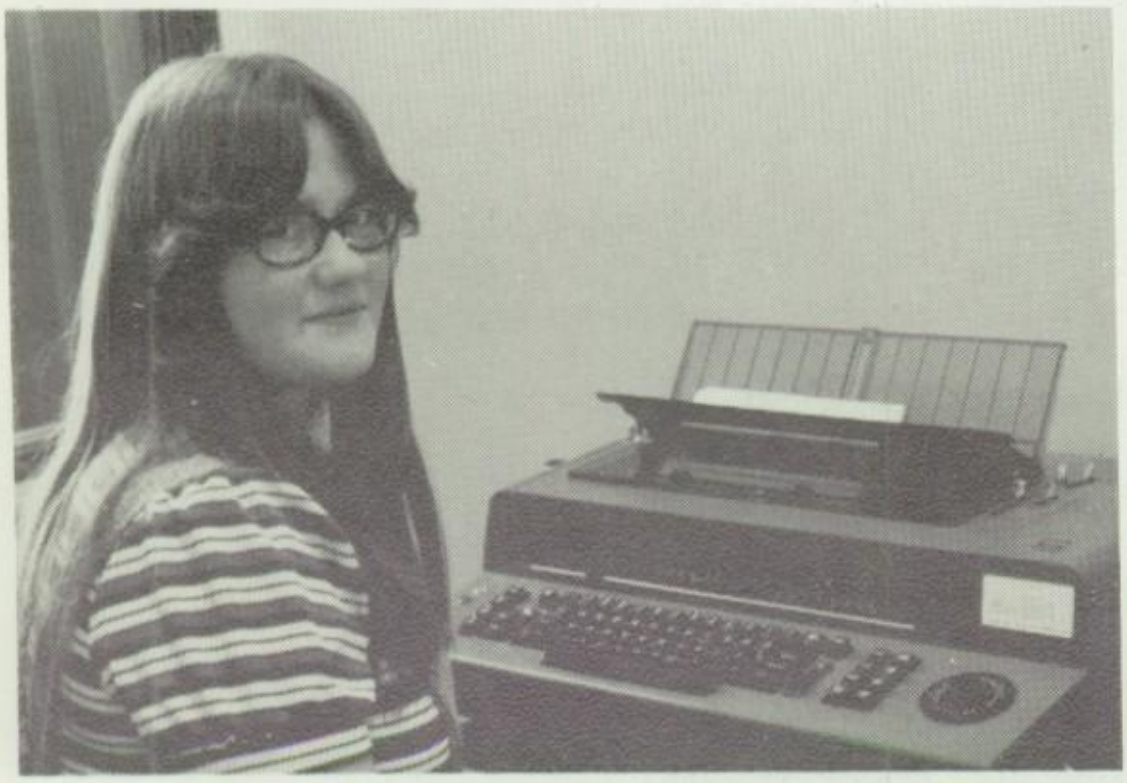
SACC Broadens Career Training





SACC (Stephenson Area Career Center) has been in existence for two years, and those two years have been very fulfilling ones. SACC courses include child care, drafting, auto body, building trades, electricity, co-op, health care, auto mechanics, machine trades, office occupations, welding, student service and agricultural mechanics. Cosmetology classes are taught at LaMolo School of Beauty Culture in Freeport.

SACC is available to students from Le-Win, Freeport, Aquin, Shannon, Dakota, Pearl City and Orangeville. Any junior or senior is allowed to take classes at SACC if they are not available at the school itself. Students receive two credits for taking a course at SACC, which they leave for immediately after first hour and return to school after fourth hour. Early-bird SACC students leave at 7:30 and arrive back at school after second hour. Cosmetology students leave for SACC at 7:30 and return after fourth hour. This year it was voted to give these students three hours of credit for taking cosmetology.

Guys' Track Has Bright Future

In Varsity Track, Chris Klaas led the team. He took first place in the 330 low hurdles in the istrict meet and went on to the state meet where he ran his best time ever. The team ran in a umber of large meets this year and placed third in the Savanna Relays.

The Frosh-Soph had a tremendous season due to the number of freshmen and sophomores ho participated this year. They placed first in the Savanna Relays and also won the conference eet. The returning freshmen and sophomores make for a bright future for boys' track at e-Win.

Many new track records were set during the 1977 season. Chris Klaas set a new record in the 30 low hurdles with a time of 40.0 seconds. Rick Rutter tied the high jump record with a leap f 5'10". The two-mile relay team, consisting of Brett Streckwald, Scott Stich, Fred Martin, and eff Mueller set a new record with a time of 9:13.0.

On the Frosh-Soph level, Rod Schrader ran a 55.7 second 440 yard dash to set a new record. high jump, Rick Rutter claimed a new record with a jump of 5'9¼". Craig Aspinwall jumped 4'5½" to claim the triple jump record. Rick Polhill, Brett Streckwald, Steve Rothschadl, and on Esser set a new record in the mile relay with a time of 3:55.9. Girls' Track 1977

The 1977 girls' track team had a winnin season. This in itself is a new look for any Le-Wi girls' track squad.

The very "young" Panther squad took firs place in three of their eight meets, but mor importantly established themselves as a 197 contender for the conference title. Only fiv points separated their third place finish fro Stockton's first place finish.

This year's squad for the first time saw fiv of their members qualify for the state meet b placing first at the district meet held at Freepor These members were Most Valuable Player Am Kopko, by taking first in both hurdle events, an mile relay participants Diane Leverton, Pegg Kleckler, Ellen White and Susi Kleckler.

A very bright future is in store for this trac team. As the level of participation raises, so goe the level of success.

1976 was a disappointing season for Coach Gilley and the football team, but there were a couple firsts which made up for some of the rough spots. The firsts were both made by Bill Lingle, who, for the first time in Coach Gilley's football career, scored two touchdowns off kickoff returns for Le-Win. The first was against Savanna and the second was against Dakota. Also, this year, Mr. Kaiser was named assistant varsity football coach.

This year's offensive leaders were Bill Lingle, also M.V.P. who led in rushing with 344 yards in 112 attempts; and Brian Mani, the starting quarterback who passed for 344 yards and ran for 93 yards. Mani's best receiver this year was Ryan Stockton, who caught 17 for 149 yards.

The defensive leader was Pat Griffin, who led in tackles with 57 and also had 27 assists. Ryan Stockton was second with 42 tackles and 17 assists.

Pantherettes

The Le-Win Pom Pon Girls had a fun-filled year. During the summer, seven of the girls attended camp in Champaign and brought back many new ideas.

The Pom Pon Girls, also known as the Pantherettes, performed at all home football, boys' basketball, and girls' basketball games. They also joined the band in many parades, including the band's journey to Springfield to perform in Governor Thompson's inaugural parade.

A first for the Pantherettes this year was assisting the cheerleaders in cheering for wrestling meets.

The Le-Win Frosh-Soph basketball team posted a very successful season with a final record of 18-3. This record was good enough for first place in the conference and a third place finish in the conference tournament. The only three losses came to Stockton in conference play and later got revenge for that one; Dakota in tournament play and made up for that one at a later date; and a non-conference loss to Chadwick in the second to the last game of the season.

The Panthers were led in scoring and rebounding by Russ Yeager, but the team always put out a combined effort to help add to the success of the season.

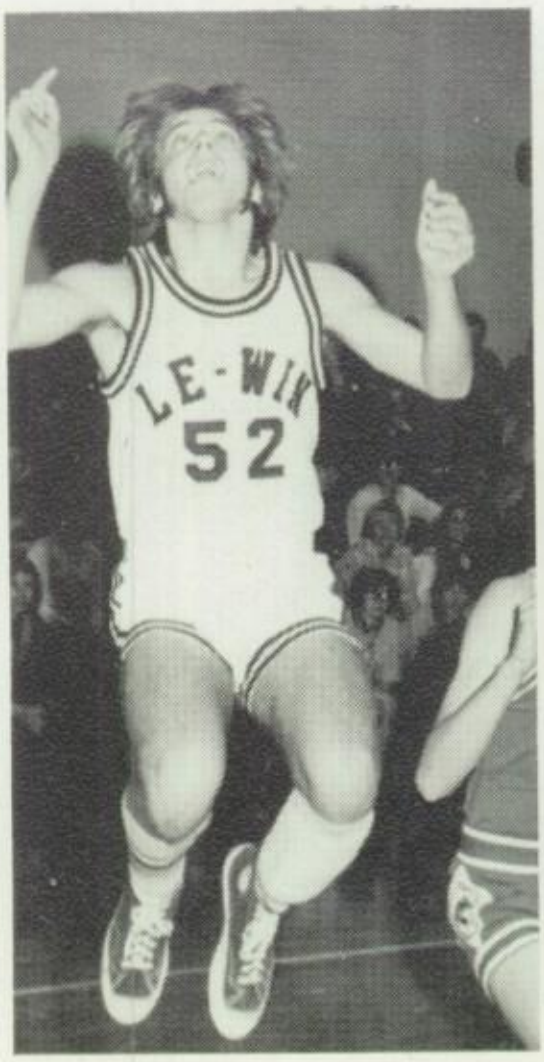
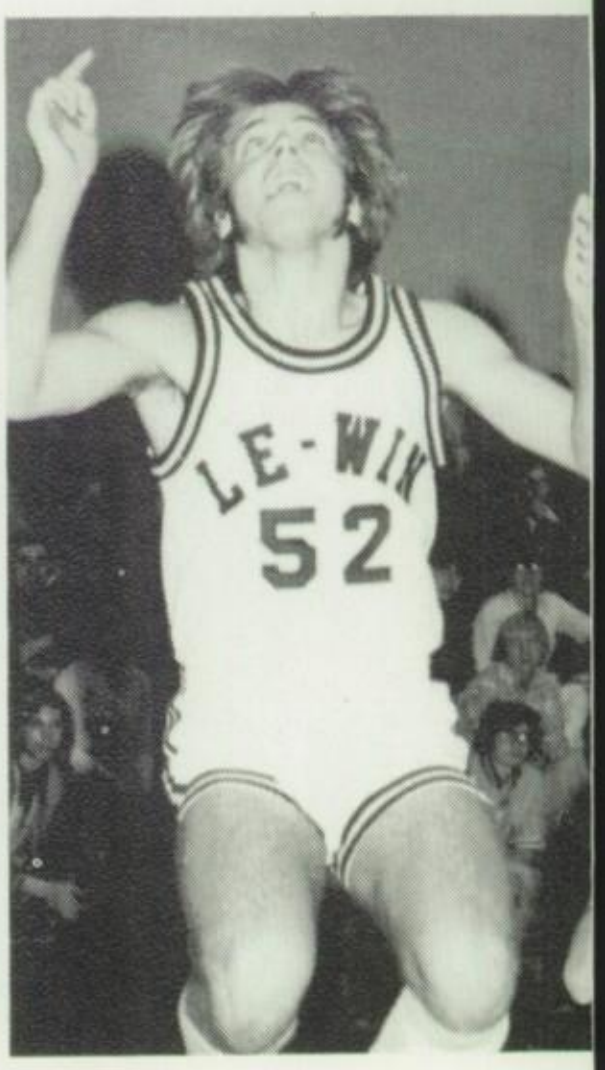
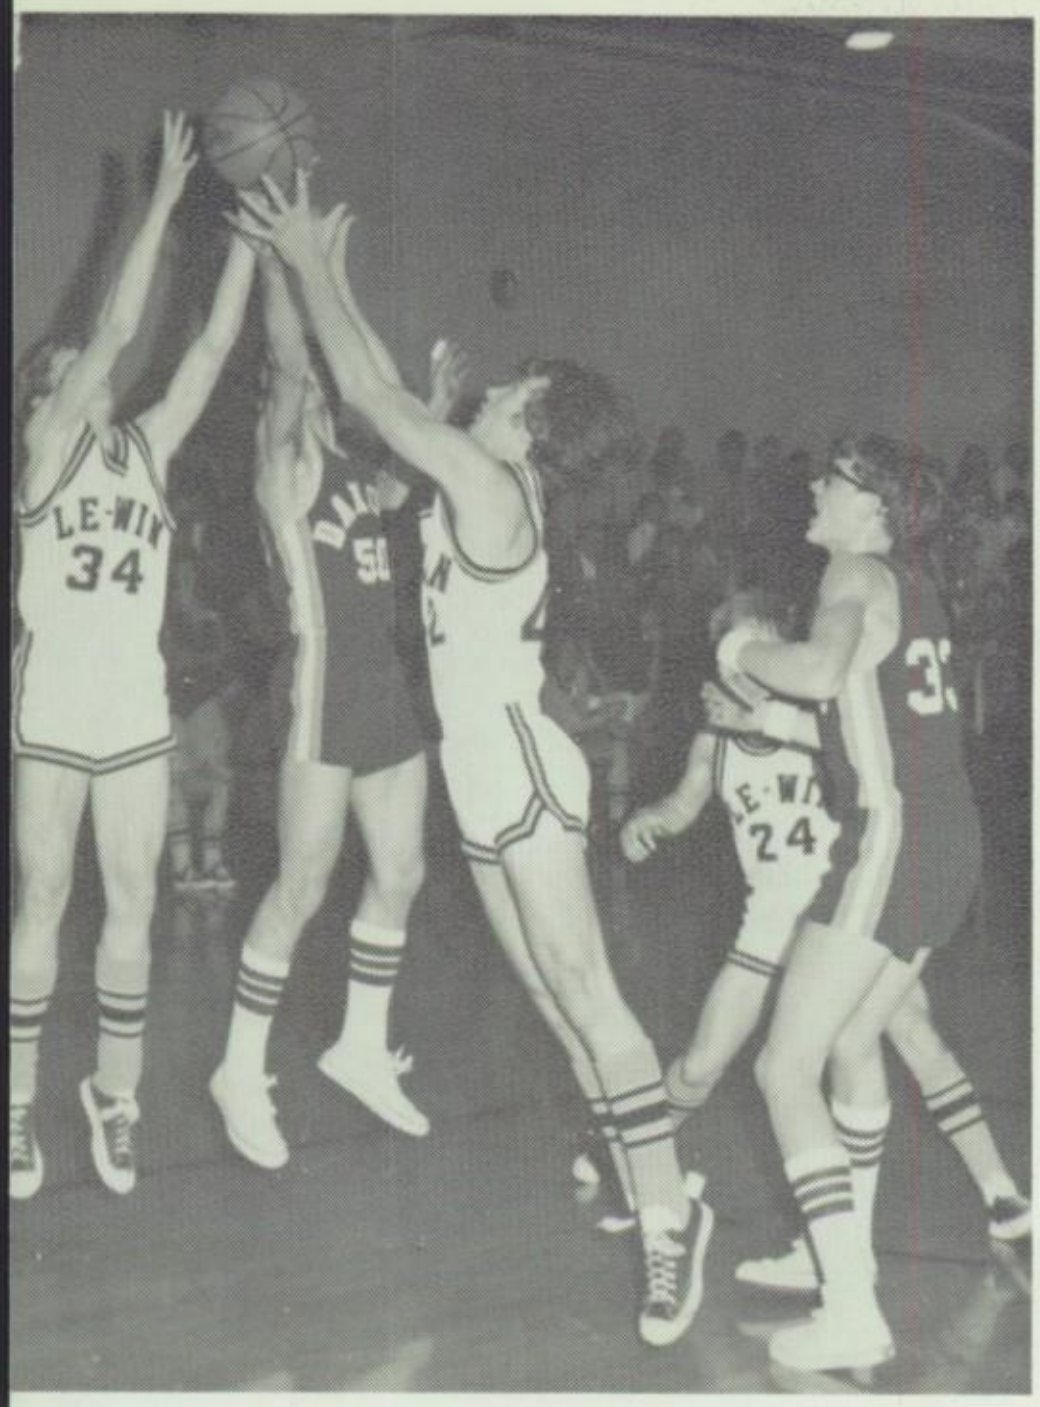
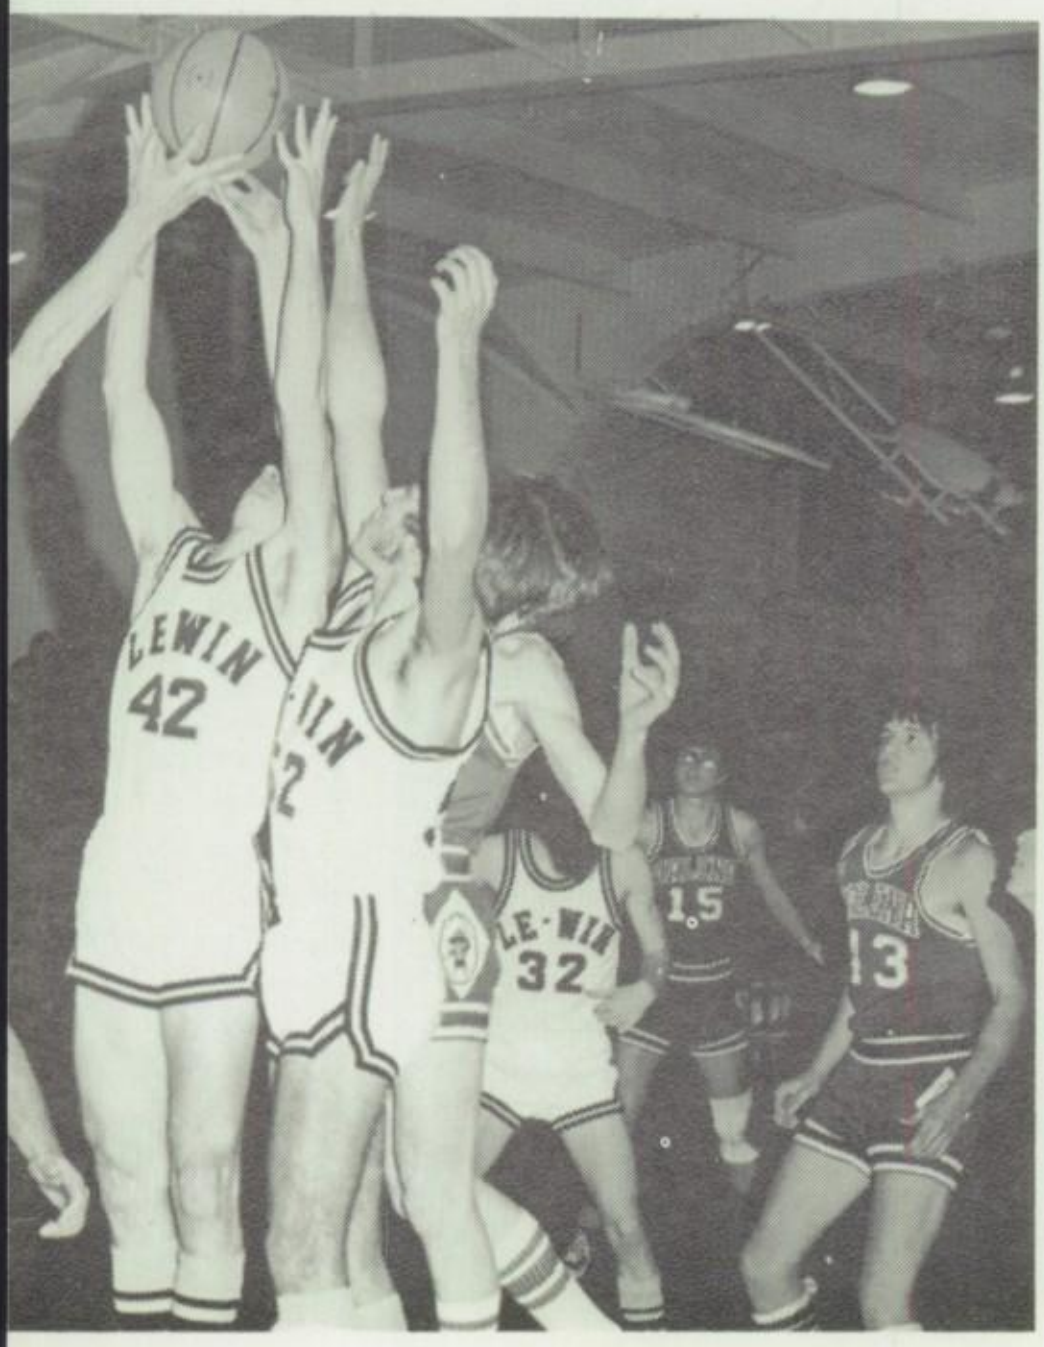
In nearly every game the Panthers were out-sized, but made up for the difference with hustle, desire and a lot of heart.









The Le-Win varsity basketball team, under first year Head Coach Jim Cox, posted an unsuccessful 1-23 record this season. There were several games that the Panthers could have won and were even leading with just a few minutes to go, but didn't have enough left to wrap up a win. The only win came at Lanark when the Panthers surprised Lanark and pulled off a 59-41 upset.

The season began with Le-Win hosting the Turkey Tournament with Lanark, Galena and Warren. The Panthers also played in the Durand Holiday Tournament at Christmastime and wound up the season losing to Lanark in the Regional Tournament.

Districts

This year's wrestling squad, according to Coach Bond, was definitel improved from last year's. He also stated that with most of this year squad coming back, next year's team should be even better.

This year's team was highlighted with Bill Lingle getting 13 wins, an Scott Stich getting two medals (one a first at the Galena Tournament an the other a third at Districts). Brian Edler, a first year wrestler, received second place medal at the Galena Tournament. Don Arnold, Bill Lingl Jeff Becker and Scott Rothschadl all received fourth places at the Galen Tournament. This year's blood loss went to Carl Lingle with his broth Bill taking second.

Skills Improved For Frosh-Soph

OW 1: K. Taylor, D. Leverton, L. Rakowska, K. Dyer, V. erhane, C. Maher, S. Lyvers, R. Gates, T. Dyer, S. Kleckler, L. ughes, V. Schneider. ROW 2: G. Kutzke, manager; J. Carlson, manager; S. McAuliffe, B. Rogers, K. Demeter, C. Confer, P. Chambers, L. Weide, L. Lindenman, A. Kopko, L. Parkinson, L. Orr, coach.

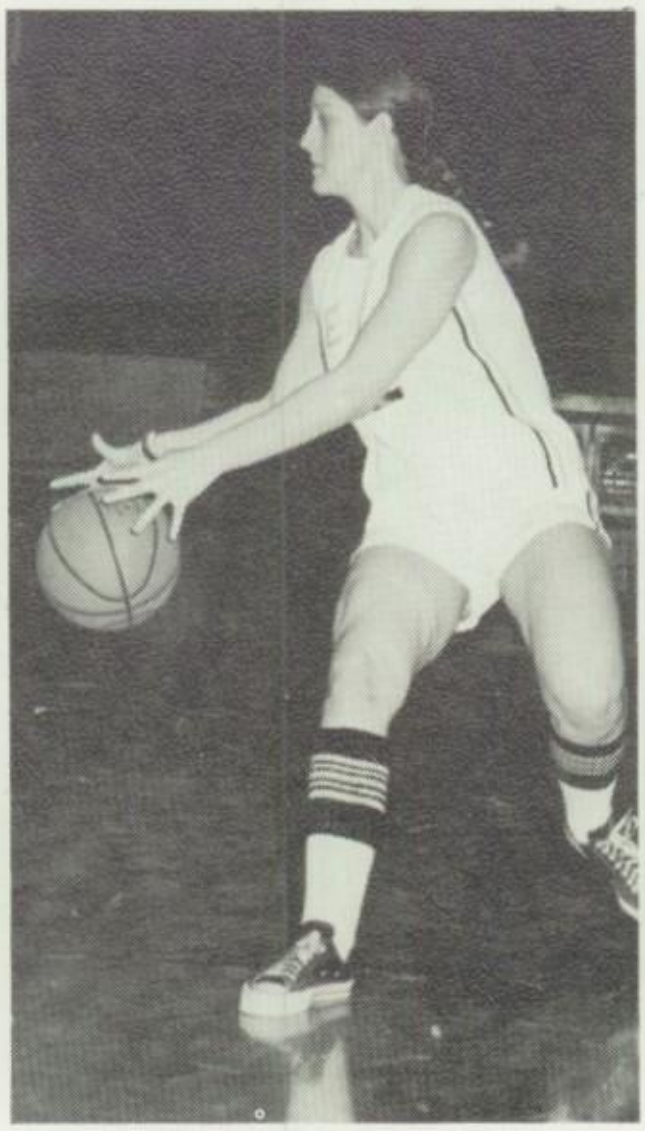
This season's Fresh-Soph team learned many skills under the leadership of Coach Orr. The team had a good season considering they were out to learn the skills so they can be outstanding players on the Varsity Squad. The team had some very close games, but everyone played every game so there were no players who warmed the bench the entire game.

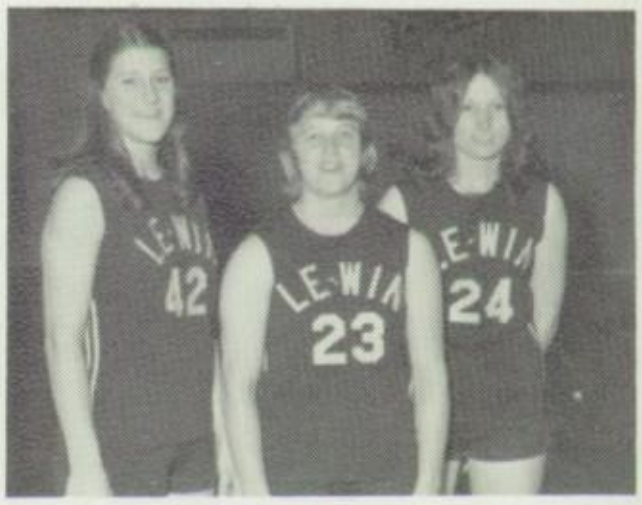
Girls No. 1 In Conference

The Varsity Girls' basketball team finished first in the conference for the second time in two seasons, and came out second in district in a very close game against Galena.

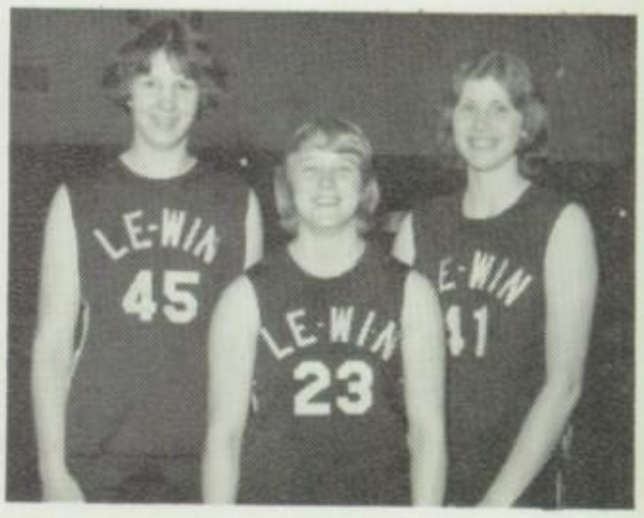
Their second season was aided by four returning letter winners and an increase in popularity of the sport with the girls. This season's Most Valuable Player was senior Paula Miller. The season's record was 13-0, with 13-1 for district.

KNEELING: P. Miller, R. Andrews, D. Rinderman, L. Oberle, K. Mann, N. Boyer, P. Kleckler, K. Wagne
STANDING: M. Gabel, manager; S. Aurand, manager; B. Johnson, J. Toelke, K. Lobdell, B. Shaw, L. Reiling, D
Hardel, Mr. Kaiser, coach.





TRI-CAPTAINS: J. Toelke, P. Miller, K. Mann.



ALL-CONFERENCE: D. Hardel, P. Miller, B. Shaw.

Track '76 Sets New Records

The bright spots for the 1976 track season were sophomore Brian Mani in the mile run and the 880-yard run. Brian set new frosh-soph records and new varsity records for the Panthers. On the frosh-soph level he ran a 2:09 minute 880-yard run and a 4:56 minute mile run. As a varsity runner, Brian was clocked at 2:06 for a record setting 880-yard run. His mile time of 4:46 was also a new Le-Win record.

Chris Klaas also set records this year, but his records were in the low hurdles. Chris's best time was 40.8 seconds.

1976 Most Valuable Player: A. Kopko.

Relay demonstration: K. Wagner, G. Hulbert.

Girls' Track 1976

D. Leverton coming toward the finish line.

The 1976 Girls' Track team had a respectable season. Finishing fourth in the conference meet held at Galena, this freshman-strong team held hope and encouragement for years to come. Freshman MVP Amy Kopko had a fine showing at the district meet by placing in the low hurdle event. A good season for all 25 participants was held with high hopes for next year's Panther squad.

Throwing the discus: V. Werhane.

Still More Of Student Life

King Greg Stockton, Queen Cindy Dittmar, and junior attendants Stephanie Graham and Ron Fluegel.

Prom '76 was our first prom away from school. It was held at the Germania Rathskeller in Freeport. The Quad City band "Cathedral" played.

Ann Brown, Jodi Huffman, Debra Reed, Terrie Schick, Val Werhane and Ellen White served the punch and cookies.

This was the biggest attendance at a prom since the Le-Win district was formed.
